FOR IMMEDIATE RELEASE

## **ISUWELDO™ v 4.1: SMS NOTIFICATIONS ADDED TO ISUWELDO**

August 14, 2012 – iSuweldo™ announces v4.1 of their flagship payroll product with enhanced SMS support.

Today, iSuweldo, Inc. announces the release of SMS Notifications support in iSuweldo v4.1. iSuweldo is a subscription based HR and Payroll product for Small, Medium, and Large companies. With the optional SMS Notification feature, iSuweldo v4.1 brings to market a frequently requested feature that significantly increases the power and ease of use of the system.

Gone are the days when employees have to follow up with their HR department to ask about the status of their applications. With iSuweldo's SMS notifications feature, employees and approvers will receive real-time updates of leave, timesheet, overtime, and expense applications on their mobile phones.

With iSuweldo, your HR and Payroll system keeps on getting better and better. It's the only HR and payroll system that your company will need.
