MAKATI CITY, January 18, 2016 – iSuweldo, Inc., an innovative Philippine software company, is offering another awesome deal for businesses looking for a winning way to start 2016, the Year of the Fire Monkey. Piso (₱1) per employee on your iSuweldo monthly subscription fee is the best way to start the year cost-effectively and efficiently.

Piso (₱1) per employee is iSuweldo's special offering for companies who want to emphasize quality over quantity. Every business owner deserves the best option for answering the cost challenges they face every day, every pay day, every month.

iSuweldo, Inc. is committed to deliver the country's premiere web-based timekeeping and payroll system with iSuweldo™. With its Piso (₱1) per employee offer, your company will have access to the market-leading iSuweldo™ timekeeping and payroll system with its top-of-the-line features such as Timekeeping, Employee Self-Service, Leave and Expense Management. In addition, it also automatically generates more than a hundred standard reports that include all the reports required by various government agencies, making compliance easy and hassle-free.

If you are a company owner, a CEO, a CFO, or a payroll master, it's time to reward yourself and your organization with a one-stop shop and worry-free iSuweldo™ Timekeeping and Payroll system.

The Piso (₱1) per employee offer is good up to 300 employees per month up to three months PLUS one FREE session training of iSuweldo™ at the iSuweldo, Inc. head office in Makati City.
