

FOR IMMEDIATE RELEASE

## **FREE ISUWELDO FOR ENTERPRISES WITH UP TO 19 EMPLOYEES**

MAKATI CITY, April 12, 2016 – iSuweldo, Inc. is proud to announce its incredible offer of the FREE use of its market-leading iSuweldo™ HR and payroll system for organizations with 1-19 employees.

This offer is in line with iSuweldo's campaign to help small Philippine enterprises become more efficient and more competitive in the most cost-effective way.

Through this offer, organizations with 1-19 employees will be able to use for free iSuweldo's innovative employees self-service (ESS) features where employees can submit online application for leaves, overtime, and expenses, view their pay slips online, and submit timekeeping adjustments such as when they go out of the work place to conduct official business. They can also use for free iSuweldo's timekeeping functionalities that, among others, allow absences, tardiness, and undertimes to be automatically computed from the employees' raw hours.

Earnings and government-mandated deductions such as withholding taxes, SSS/GSIS, Pag-IBIG and PhilHealth contributions of employees and employers are automatically computed and the corresponding files and reports are generated directly from the system, thereby greatly facilitating payroll processing. The iSuweldo system can also automatically generate over 100 reports that can be used for analysis and reporting to management.

iSuweldo™ FREE usage comes with the system's built-in infrastructure and regular upgrades. The iSuweldo™ cloud-based solution makes payroll processing a snap.

To guide interested enterprises in using the iSuweldo™ system for the first time, they will be given a half-day training in the iSuweldo office for FREE.
